

Emu Plains Under 13/2's

Match Report

Round 11 20/6/09

Emu Plains Vs Springwood

The sky was overcast and the rain clouds threatened as our team ran out onto Hunter Field. The first half was action packed with great teamwork and ball skills. Andrew kicked two magnificent goals after some great lead-up work from Connor, Chris and Peter. The backs: Mitchell, Pritam, Christian and Chris defended strongly, challenging and putting pressure on the Springwood forwards. There were very few gaps for the competition leaders Springwood. Aaron had his eye keenly on the ball and did his part to keep them frustrated. Nick, Nicholas, Austin and Ryan worked hard in the centres and matched the ball skills and speed of the Springwood team.

As the half time whistle sounded, we were even at two goals but our heads were held high as our boys were playing great football.

Despite the continued display of skill and competitiveness our boys went down 4-2. Coach Sandro commended all the boys for their determination and made special mention of Chris (3 points), Mitchell (2 points) and Pritam (1point).

Congratulations to all the boys for the entertaining game and to the supportive and encouraging parents! Go Emu!
